C. Rich moved to table the Treasures report, seconded by Smith, all ayes.

No one from the Sheriff's department was present, council reviewed the printed report sent by the department.

Superintendent Krochack presented the maintenance report: Siren checked with installer, reported a representative will be coming to check out the electronic board. E.coli samples will be taken to the State Hygienics lab in Iowa City for testing, Madison and Jefferson Street Water main repaired, Mechanic Street water leak repaired, and the utility meters were read for the month of February.

Landlords were present to discuss deposit rates with the city.

Council is awaiting call back from a candidate to provide a package to fill the City Clerk position.

Stephen Pedrick, Project Manager and Stephen Hausner, President and CEO from French-Reneker were present to discuss SAGR updates regarding running 3-phase electric service to the SAGR site. French-Reneker will be reaching out to Alliant Energy for possible rebates on the 3-phase wiring.

There were no building permits to review. No one was present from the public to address the Council.

Motion by C. Rich, seconded by Emry to adjourn at 9:22 P.M. All ayes.
