- No fence shall be erected until a permit has been obtained through the procedures contained in Chapter 155. However, no fee shall be assessed in the granting of a fence permit
- For purposes of obtaining fence permit, property lines must be located exactly. Estimates are not acceptable.
- The following building set backs will apply to erecting a fence: 8 feet from an adjoining property line, 5 feet from the alley, and 15 feet from front lot line. Note that a corner lot has 2 front lot lines.
- Fencing must not exceed the front of existing structure.
- A variance to the setbacks may be granted if adjoining property owners sign a written agreement to the terms and the agreement is recorded.
