

PAWS & More Resources for Washington County

PAWS & More provides animal care services to Washington County and surrounding communities. We are proud to offer the following resources:

- **PAWS & More Food Pantry**
If you're struggling to feed your pets, our food pantry is here to help and is open during our public hours.
- **Rehoming**
We are available as a resource for families who need to rehome their pets. We're willing to do a courtesy post on social media to help facilitate home-to-home transfers. You can also check out our Rehoming Resources on our website.
- **Lost and Found Posting**
If you have lost or found an animal, we ask that you take a picture and email us at pawsandmorephotos@gmail.com or send it through Facebook Messenger so we can do a courtesy post on our social media channels.
- **Public Microchipping**
We see pets unexpectedly separated from their people every day. These animals want to go home but they need help. PAWS can microchip your dog, cat, or rabbit at our shelter. We'll even take care of the registration paperwork.
- **High Quality, Low Cost Spay & Neuter**
We work with local and regional spay and neuter clinics to offer the public spay and neuter services for their pets at a reduced cost. Call us at 319-653-6713 to schedule.

- **Vocational Resource**
We provide a location that citizens can gain vocational training and skills and work with many organizations across the County, including: Optima, Career Connections, Promise Jobs, and Advanced Employment Services
- **Youth Services**
PAWS works with local schools and service clubs to promote our Reading Fur Fun Program, Dog-bite Prevention Classes, and Youth Volunteer Classes. We also offer on-site tours and off-site events for youth in our community.
- **Sunset Dog Park Memberships**
Sunset Dog Park is located adjacent to PAWS & More. Call us at 319-653-6713 to purchase your Annual Dog Park Membership for \$20. Additional dogs are \$15 each.
